CFJ's Vision

LACBA Counsel for Justice envisions a Los Angeles where everyone has access to the legal support they need, fostering a community built on equality, fairness, and opportunity for all.

CFJ's Mission

CFJ promotes access to justice for those in underserved communities seeking to assert their legal rights. Our pro bono-based projects bridge the justice gap for those in underserved communities seeking safety, stability, and justice. CFJ engages volunteer attorneys to provide direct legal services, empowering people with the knowledge and support they need to effectively navigate their legal challenges.

CFJ's Work

With the support of LACBA and our many volunteers, CFJ helps thousands of individuals and families access their legal rights each year. CFJ's three legal services projects are dedicated to offering direct legal assistance to survivors of domestic violence, immigrants, and U.S. military veterans.
